## Underpinning the success of the UK's largest post-lockdown festival

Following the lifting of the initial COVID-19 restrictions in 2020, Woodlands provided the power for ALSO 2020 Festival. This was the largest legal gathering of its size to take place in the UK since the lifting of lockdown.

ALSO enforced careful social distancing controls to ensure the event was COVID-compliant and successful.

Ensuring strict health and safety measures were followed, our drivers and engineers delivered and installed the generator on site. The team also provided fuel management for the festival's duration.

ALSO 2020 was celebrated as the UK's first COVID-compliant festival.
